Our Services

Email & Phone Support

Get the support that you need to achieve your compliance goals! Aurora provides phone and email support for website owners and development teams to help you achieve compliance with Section 508 and ADA laws. Our friendly support staff will help guide your development teams, answer questions, and provide the support that you need in a timely manner.

Accessibility Training

Get the skills that you need to achieve your accessibility compliance goals! Aurora provides online and in-person professional development and training services for businesses, government agencies, and non-profit organizations. Our professional development series align with the World Wide Web Consortium's Web Content Accessibility Guidelines (WCAG 2.0/2.1).

Direct Support Services

Don't have your own development team? No problem. Aurora provides direct support services to ensure that your website meets the highest levels of accessibility compliance. We offer WCAG-compliant development services for new websites, and website repair & remediation for existing sites to achieve compliance with Section 508 and WCAG 2.0/2.1.
